

Missing events and closed subscription

| | |
|---------------------------|---|
| Problem Summary | If the API service sends a lot of DELETE or PRUNED events, some events may be missing and the subscription may be closed. |
| Error Message | None. |
| Possible Cause | Cisco Security Agent (CSA) blocks any application from opening more than 2000 TCP connections per minute. |
| Recommended Action | <ul style="list-style-type: none">• For missing events, synchronize with the meta database.• For closed subscription, resubscribe. |
| Release | Release 8.5(1). |
| Associated CDETS # | CSCtk19359. |
