

## Archiver: Free Space and Emergency Purge

<b>Problem Summary</b>	You are running out of space on the Archiver server.
<b>Error Message</b>	Emergency Purge messages in t_Log table.
<b>Possible Cause</b>	You are running purges infrequently or the retention times need to be shorter.
<b>Recommended Action</b>	Manage the amount of free space and the retention times in your database to ensure that there is no need for an emergency purge. Periodically query the t_Log table to ensure that there are no emergency purge messages.
<b>Release</b>	Release 7.5(x)
<b>Associated CDETS #</b>	None
