

Archiver: Scheduled Events Do Not Run

Problem Summary	Archiver Scheduled events do not run due to organizational policy for running MS SQL services.
Error Message	Not applicable.
Possible Cause	Unified IC expects the AdminUser or ArchiverUser to run scheduled events, but your organization imposes a policy for the user who runs MS SQL services.
Recommended Action	Add the customer-specified user who runs SQL services to the Unified ICM DB with read-only access.
Release	Release 7.5(x)
Associated CDETS #	CSCsy96083
