

## Archiver: Scheduled Events Do Not Run

<b>Problem Summary</b>	Archiver Scheduled events do not run due to organizational policy for running MS SQL services.
<b>Error Message</b>	Not applicable.
<b>Possible Cause</b>	Unified IC expects the AdminUser or ArchiverUser to run scheduled events, but your organization imposes a policy for the user who runs MS SQL services.
<b>Recommended Action</b>	Add the customer-specified user who runs SQL services to the Unified ICM DB with read-only access.
<b>Release</b>	Release 7.5(x)
