

[Cisco Unified MeetingPlace, Release 6.x](#) > [Cisco Unified MeetingPlace Audio Server](#) > [Planning the installation](#)

Use the information in this chapter to prepare for the installation of the Cisco Unified MeetingPlace system telephony and LAN components. See the following pages:

- [Components](#)
- [Selecting a Site](#)
- [Telephony and LAN Planning Worksheets](#)
- [About NSF Codes](#) (to determine if your system requires NSF codes.)
- [About DTMF Support in Transfer and Outdial Meetings](#)
