

Main page: [Cisco Unified MeetingPlace, Release 7.0](#)

Up one level: [Planning Your Deployment](#)

Identify specific user groups who may need extra assistance in understanding the direct benefits of Cisco Unified MeetingPlace.

Worksheet 4: Continuing Training and Providing Information

Perform the tasks in this worksheet starting in the third week in which you have the Cisco Unified MeetingPlace system.

Table: Worksheet 4: Continuing Training and Providing Information

Task	Owner	Status	Notes
Pre-Training Tasks			
1. Send an e-mail blast once a month to all users with training opportunities.			
Training Development Tasks			
2. Begin a departmental strategy (for deeper deployment):			
• Identify top departments:			
• Identify the managers in the top departments:			
• Identify the top users in the top departments:			
• Define 3 to 5 specific department application stories. These stories guide demonstrations, presentations, and training:
