

**Main page:** [Cisco Unified MeetingPlace Express, Release 2.x](#)

**Previous page:** [Page References](#)

This page is used to generate certificate signing requests (CSRs).

## Finding the Download Certificate Signing Request Page

1. Log in to Cisco Unified MeetingPlace Express and click **Administration**.
2. Click **Certificate Management > Generate CSRs**.
3. Enter values in the fields.
4. Click **Generate CSRs**.
