

Cisco Unified MeetingPlace Express enables you to monitor and prevent toll fraud occurrences by doing the following:

- Restrict dial-out privileges to specific users by completing these tasks:
  - ◆ Restricting Dial-Out Privileges for Guest Users
  - ◆ Restricting Dial-Out Privileges for Profiled Users
  
- Monitor dial-out usage by completing these tasks:
  - ◆ Running a Report about Port Utilization
  - ◆ Exporting Information about Outgoing Calls
  - ◆ Exporting Information about Meetings
