CONTRIBUTING TO THE DOCWIKI

We welcome all contributions to the Cisco Unified Presence documentation wiki! If you wish to contribute, read the guidelines below:

- All registered Cisco customers, partners, and employees can edit or add content to DocWiki. Simply sign in to Cisco DocWiki using your CCO login and start writing!
- You can contribute any type of content, from small edits to new pages or articles. See [DocWiki Getting Started](#) for general information on getting started and adding new pages.
- New to the Mediawiki markup? See http://meta.wikimedia.org/wiki/Help:Advanced_editing for help on Mediawiki editing.
- Don't fret too much about formatting your content. If you add the content, we will tidy it up for you! We moderate the wiki regularly and we are informed of all updates.
- We're happy to help! Send a message to [docwiki-cup-moderator](#) if you need help entering your data.

If you want to **ask a question**, **post a comment**, or **discuss an issue** regarding a specific article, sign in to the docwiki, navigate to the article and select the **Discussion** tab at the top of the page. Post your comment to the Discussion page. To start a different thread under a new subheading on the Discussion page, click the + tab at the top of the page instead of the Edit tab.
