

**Copyright Icon Displayed Incorrectly in the Unified CCX Help Pages**

<b>Problem Summary</b>	Copyright Icon is Displayed Incorrectly in Unified CCX Help Pages while using Internet Explorer or Mozilla FireFox
<b>Error Message</b>	None
<b>Recommended Action</b>	<ol style="list-style-type: none"><li>1. Right-click on any Unified CCX help page in Internet Explorer or Mozilla FireFox.</li><li>2. In Encoding, <i>Unicode (UTF-8)</i> option is selected by default.</li><li>3. Select <i>Western European (Windows)</i> or <i>Western European (ISO)</i> instead of <i>Unicode (UTF-8)</i>. Now, the Copyright Icon will appear properly in the browser.</li></ol>
<b>Release</b>	Release 8.0(1)
<b>Associated CDETS #</b>	None
