

**Dialog box does not appear as expected when report is exported**

<b>Problem Summary</b>	The Exporting Records dialog box does not appear as expected when a scheduled report is exported.
<b>Error Message</b>	If the report is being exported, the following message will appear at or near the end of the file: <i>Note: Getting report contents may take considerable amount of time based on the size of the contents...Pls wait...</i>
<b>Possible Cause</b>	This dialog box appears only after the client system fetches the required database records. For a large report, fetching records can take a long time.
<b>Recommended Action</b>	Wait for the export operation to complete. Or, check the CiscoSChPrintExport.log file.
<b>Release</b>	Release 7.0(1)
<b>Associated CDETS #</b>	None.
