

Golden Template: Using 9.x GTs on ESXi 5.1

Problem Summary	Can Golden Templates created in Packaged CCE Release 9.0.x, on the ESXi 5.0 platform, be used on ESXi 5.1?
Error Message	N/A
Possible Cause	Yes. Remaining in version 9.0.x and upgrading from ESXi 5.0 to ESXi 5.1 has no impact on your Golden Templates. The VMware version did not change in ESXi 5.1.
Recommended Action	Update VMware Tools.
Release	10.0
Associated CDETS #	None
