

Dialog Box During Reporting Uninstallation

Problem Summary	If you are removing the Unified CVP Reporting component, the following message displays when component removal is complete:
Error Message	Could not delete product files and/or directories.
Possible Cause	This dialog box is a present in this release solely due to a Informix product limitation, and doesn't indicate a problem with removing Reporting.
Recommended Action	No action necessary.
Release	Release 7.0(2)
Associated CDETS #	None.
