

## Dialog Box During Reporting Uninstallation

<b>Problem Summary</b>	If you are removing the Unified CVP Reporting component, the following message displays when component removal is complete:
<b>Error Message</b>	Could not delete product files and/or directories.
<b>Possible Cause</b>	This dialog box is a present in this release solely due to a Informix product limitation, and doesn't indicate a problem with removing Reporting.
<b>Recommended Action</b>	No action necessary.
<b>Release</b>	Release 7.0(2)
<b>Associated CDETS #</b>	None.
