

Migration: Collections do not appear in the filter page

Problem Summary	After performing a migration from CUIS Release 7.x to CUIC Release 8.x when you launch a UCCE Report, you can see values in selection list but cannot see any collection in collection drop down.
Error Message	None
Possible Cause	<ul style="list-style-type: none"> • There is a custom value list created for this report before the migration. • The stock value list ID was edited or modified the original value that was set during the installation of CUIS Release 7.5(4)
Recommended Action	Edit the report definition for such reports and associate the key criteria field to CUIC 8.5(2) stock value list by typing "stock" in value list manager.
Release	Release 8.0(x)
Associated CDETS #	None
