

**Migration: Collections do not appear in the filter page**

<b>Problem Summary</b>	After performing a migration from CUIS Release 7.x to CUIC Release 8.x when you launch a UCCE Report, you can see values in selection list but cannot see any collection in collection drop down.
<b>Error Message</b>	None
<b>Possible Cause</b>	<ul style="list-style-type: none"> <li>• There is a custom value list created for this report before the migration.</li> <li>• The stock value list ID was edited or modified the original value that was set during the installation of CUIS Release 7.5(4)</li> </ul>
<b>Recommended Action</b>	Edit the report definition for such reports and associate the key criteria field to CUIC 8.5(2) stock value list by typing "stock" in value list manager.
<b>Release</b>	Release 8.0(x)
<b>Associated CDETS #</b>	None
