

**Not all contacts get imported**

<b>Problem Summary</b>	Not all contacts get imported.
<b>Error Message</b>	None.
<b>Possible Cause</b>	If the contacts being imported contain the same phone number, such duplicate contacts are overwritten, resulting in a fewer number of contacts being imported into the subsystem.
<b>Recommended Action</b>	Make sure the imported contacts do not have duplicate numbers.
<b>Release</b>	Release 7.0(1)
<b>Associated CDETS #</b>	None.
