

## Fax Detection Problems

<b>Problem Summary</b>	The Dialer is not detecting a fax machine.
<b>Error Message</b>	N/A
<b>Possible Cause</b>	It is possible that the gateway that the call is being made on is starting fax negotiation with the end fax machine.
<b>Recommended Action</b>	Disable all fax negotiation on the dial-peer that the call is going out on.
<b>Release</b>	Release 7.5(1) and 8.0
<b>Associated CDETS #</b>	None.
