

Customer records in the Do-Not-Call list are being dialed

Problem Summary	Customer records in the Do-Not-Call list are being dialed
Error Message	N/A
Possible Cause	A Do_Not_Call import was executed with the Overwrite option enabled. This caused all existing Do_Not_Call records to be deleted.
Recommended Action	Re-import all Do_Not_Call data back into the system.
Release	Release 7.5(1) and 8.0
Associated CDETS #	None.
