

Packaged CCE information not appearing in Cisco Unified Intelligence Center reports

Problem Summary	Packaged CCE information is not appearing in Cisco Unified Intelligence Center reports.
Error Message	N/A
Possible Cause	<p>The site names of the internal and external AWs must be exactly as indicated in the Packaged CCE documentation:</p> <ul style="list-style-type: none"> • The site name of the Administration & Data Server on Side A must be AW_SideA. • The site name of the Administration & Data Server on Side B must be AW_SideB. • The site name of the external AW-HDS-DDS that is configured as Central Controller Side A Preferred must be CCE-AW-1.** • The site name of the external AW-HDS-DDS that is configured as Central Controller Side B Preferred must be CCE-AW-2.** <p>** The external AW-HDS-DDSs are optional.</p>
Recommended Action	If the names are not configured correctly, change them in Web Setup for each Administration & Data Server, as necessary.
Release	9.0(x)
Associated CDETS #	None
