

## Port Utilization

<b>Problem Summary</b>	Cannot change deployment type and validate Packaged CCE installation.
<b>Error Message</b>	Validation error.
<b>Possible Cause</b>	Firewall rules are not set for ESXi Host ports.
<b>Recommended Action</b>	The Packaged CCE Data Servers and external AWs need to have https port 443 open for both ESXi hosts.
<b>Release</b>	9.0(1), 10.0(1), 10.5(1), 11.0(1)
<b>Associated CDETS #</b>	CSCum21224
