## RTR Outbound reports do not show all possible reclassification

Problem Summary	RTR Outbound reports do not show all possible reclassification.
Error Message	None.
<b>Possible Cause</b>	This is by design. Not all reclassification categories are displayed.
Recommended Action	You can get the complete list of reports from the Cisco Unified CCX Historical Reports. See the <i>Cisco Unified Contact Center Express Historical Reports User Guide</i> and the <i>Cisco Unified Contact Center Express Administration Guide</i> for the Managing Cisco Unified CCX Historical Reporting chapter.
Release	Release 7.0(1)
Associated CDETS #	None.
