

Super Header does not appear in the report viewer

Problem Summary	You created a Super Header for a custom report, but when you run the report, the Super Header does not appear in the grid.
Error Message	None
Possible Cause	You did not add any fields under the Super Header.
Recommended Action	<ul style="list-style-type: none"> • Right-click the report and select Edit Views. • Select and grid view and click Edit. • Locate the super header folder in the <i>Current field order in the grid</i> panel. • Make sure there are fields grouped under the Super Header folder.
Release	Release 8.0(1)
