

Scheduler DOS exception error received when running a custom report

Problem Summary	When running a custom report, the following error message appears in the CiscoSchPrintExport.log file.
Error Message	<i>ERROR Descripton=Dos error, thread in Export method=Exception.</i>
Possible Cause	The DOS error can occur when the database is not accessible from the client machine at the scheduled report time.
Recommended Action	Schedule a report with an export format other than CSV and check the result for the same report.
Release	Release 7.0(1)
Associated CDETS #	None.
