Schedules: The Schedule option is disabled when I right-click a report name

Problem Summary	You want to schedule a report, but the Schedule option is disabled when you right-click the report name.
Error Message	None
Possible Cause	You are not a Report Designer and you do not have EXECUTE permissions for this report.
Recommended Action	Ask the Security Administrator to assign you the Report Designer User Role and to grant you EXECUTE permissions for the report.
Release	Release 8.0(1)
Associated CDETS #	None
