

SocialMiner Feeds - Verifying RSS Feeds

Problem Summary	You want to verify the feed.
Error Message	None
Possible Cause	Not applicable.
Recommended Action	Paste the RSS URL into a web browser such as Firefox. The RSS feed displays in the browser or an RSS reader application opens. (This depends on the configuration of your computer.) If you cannot get the RSS feed to render in a browser or an RSS reader, contact the site administrator.
Release	Release 9.0(x), 10.0(1), 10.5(1), 10.6(1)
Associated CDETS #	None
