

System: Release Notes for Maintenance Releases

Problem Summary	How do I obtain release notes for Cisco Unified Intelligence Suite maintenance releases?
Error Message	None
Possible Cause	You are unable to locate the maintenance release (MR) Release Notes. The documentation site on Cisco.com stores release notes for major releases only.
Recommended Action	<ul style="list-style-type: none"> • Go to Cisco.com. • Select Support > Download Software. • Click Voice and Unified Communications. • Log in. • Click the Customer Contact folder to expand it. • Click Cisco Unified Contact Center Products folder to expand it. • Click Cisco Unified Intelligence Suite. This opens a tree of all releases. • Click the folder for the release you need - for example, click 7.5 (2) to open the page for that MR. • Locate the small page icon at the top of the right panel (above Sort By:) • Select that page icon to open the release notes.
