

Talk: Cisco\_Nexus\_7000\_NX-OS/IOS\_Comparison\_Tech\_Notes

Hey - Now that the Nexus 5500 series does some L3, is there a page in the works for a similar comparison? I'm especially interested in dhcp realy and netflow support on the 5596 with the N55-M160L3.

Thanks for your interest. We've passed this feedback on to the Nexus 5000 team for consideration.
