Placement

There's a lot of useful information here that isn't specific to Cisco Unified MeetingPlace. Perhaps we should move this to somewhere else? --Fenton 00:09, 7 March 2009 (UTC)

That is fine with me. (I have never used these "talk" pages before so I don't know if I'm doing this right....) JULIE -- MeetingPlace content person

Go for it! at the time, we didn't have many bodies to get consensus from, so I just added it here...
