

Unable_to_export_Scheduled_Report_to_mapped_drive.

Problem Summary	Not able to export report to a folder under shared network drive through scheduler.
Error Message	NA
Possible Cause	Access to the root folder of the drive may be write protected by way of setting a password.
Recommended Action	Map a new logical driver to the network folder where the report is required to be exported. Then, schedule the export to this new drive.
Release	Release 7.0(1), Release 8.0, Release 8.5
