

Numeric data Is not Playing in the Expected Format

Problem Summary	Numeric data is not playing in the expected format.
Error Message	None.
Possible Cause	<p>The ICM script might be:</p> <ul style="list-style-type: none"> • Truncating values with leading 0's or 0's after decimals. • Rounding values.
Recommended Action	<p>Put quotes around numbers in a Script Editor Set node so it is processed as a string. This is especially important if:</p> <ul style="list-style-type: none"> • Leading 0's are present (example: dates). • Trailing 0's are present after a decimal point (example: currency). • The number is very large (example: a number normally expressed through exponential notation).
Release	Release 7.0(2)
Associated CDETS #	None.
