

## UnsupportedGrammarException with Cisco Media i.e Default Dialog group

<b>Problem Summary</b>	UnsupportedGrammarException with Cisco Media i.e Default Dialog group.
<b>Error Message</b>	com.cisco.dialogservices.UnsupportedGrammarException.
<b>Possible Cause</b>	DTMF Voice Browser (Voice Browser used with Default/Cisco Media Group) only supports Cisco DTMF Grammars (aka "Regex"), not SRGS or GSL.
<b>Recommended Action</b>	Use proper grammar format
<b>Release</b>	Release 8.0(1)
<b>Associated CDETS #</b>
