

## Using Demo Licenses

<b>Problem Summary</b>	UCCX 8.0(1) provide demo license functionality. How to use it?
<b>Error Message</b>	NA
<b>Possible Cause</b>	NA
<b>Recommended Action</b>	Check UCCX 8.0(1) install DVD. Four variation of Demo license are bundled on it, each for Standard, Enhanced, premium and Unified IPIVR. Upload any of these through appadmin's add license page. These Demo licenses will continue to work for next 30 days. In the mean time customer can procure proper licenses. A warning indicating that "System is running on a 30 day grace period" will be displayed on each appadmin login during these 30 days.
<b>Release</b>	Release 8.0(1)
