

VXML Server Statistics Not Available Error Message

Problem Summary	An error message from the Operations Console indicates that VXML Server statistics are not available.
Error Message	VXML Server statistics are not available.
Possible Cause	<p>VXML Server requires at least one Studio application script that enables Datafeed Logger to report statistics. This error occurs when Datafeed Logger has been removed or is missing in either of the following conditions:</p> <ul style="list-style-type: none">• The HelloWorld script that is installed and deployed by the installer does not contain the Datafeed Logger.• The Studio script(s) developed prior to Release 4.x have been upgraded and does not contain the Datafeed Logger.
Recommended Action	Add the Datafeed logger to the script(s).
Release	Release 7.0(2)
Associated CDETS #	None.
